obszar nieobjęty sołectwem

This is a detailed cadastral map of a rural area, likely in Poland, showing land parcels, roads, and water features. The map is oriented with North at the top. A central area, outlined in blue, is designated as the 'obszar rewitalizacji' (revitalization area). This area contains several buildings and is surrounded by a network of roads and fields. To the left of the revitalization area, there is a large open area labeled 'FRANKOŁ'. To the right, there is a road labeled 'RADZECIN' and a small settlement labeled 'STARA WIEŚ'. Further to the right, there is a road labeled 'SOŁKOWA' and a small settlement labeled 'SOŁKOWA'. The map also shows a river or stream flowing through the area. A legend in the top left corner provides information about the map's scale (1:5000), source (Starostwo Powiatowe), and symbols used. A scale bar indicates distances of 0, 0.1, and 0.2 km. A small inset map in the top left corner shows the location of the area within a larger regional context.
